

Livingstone Newsletter

28th March 2024

Star of the Week:

Nursery: Afireen

Reception: Arlo

Year 1: Ivy

Year 2: Leo

Year 3: Lola

Year 4: Annabelle

Year 5: Sophia

Year 6: Zulekha

Well done to all our Stars of the Week!

Clubs:

We will be updating the clubs on offer after Easter and bookings will open in the first couple of days. Sewing club will be open to the same people initially as we are in the middle of a sewing project!

Nursery Applications for 2024 and future years:

We still have places available for Nursery in September 2024, so if you know anyone still looking for a place, please spread the word. We take children in September who will have already turned 3. We offer both 15 and 30 hours and also other flexible options. Our before and after school club also takes children who are in our Nursery.

We also take names for Nursery places for future years and there may even be spaces for these children to start in the term after they are three, so if you'd like to put your child's name down then it's never too early!

Easter Egg Raffle:

Well done to all the winners of our Easter Egg Raffle this morning. Thank you again for all the very kind donations and to Miss Noble and Mrs Robinson for organising. We raised a fantastic £335.31. All money raised will go to Friends of Livingstone which will be spent on things for the children in school. Previous examples include subsidising trips, playground markings, library books, sets of recorders for recorder club etc.

Monday 22nd April 'Blind Side' Workshop for Y6

Tameside are subsidising a 'Blind Side' workshop which explores the issue of violence against women and girls and is suitable for upper KS2. Year 6 will be engaging in this workshop on Monday 22nd April. You can find out more information here <https://www.tameside.gov.uk/Newsroom/Articles/Empowering-young-people-to-challenge-violence-agai>

If you have any further questions please speak to Mrs Bromley.

Year 4 Swimming:

Please remember that further to the letter sent out a couple of weeks ago, Year 4 will be going swimming for the summer term. Their first session is on Thursday 18th April.

Free Qustodio monitoring on children's devices:

Qustodio allows Tameside families the access to be able to filter and block 2 devices for free for ever. So parents can monitor websites children are accessing, set screen time limits and many other things. Just scan the QR code below to set up your access. In a family with 2 adults, each one can do this for 2 devices allowing you free control on 4 devices. We strongly recommend that this is set up and used.

After the Diary Dates, I have attached a few flyers.

Have a lovely Easter holiday, we will see everyone back in school on Monday 15th April.

Thursday 11 April – Craft colourful castanets

Discover more events in Tameside at www.intameside.co.uk

Gizmobots Junkbot Building Workshop

Junkbot Building Workshops, delivered by Mark Haig of Gizmobots on Wednesday 3 April. 12-3pm. Location: Heigenbottom Room, Ashton Library.

This one-of-a-kind workshop for children aged 7 and up, will see participants using waste electronic equipment to design and create one big junk-bot sculpture together! Mark Haig, founder and Director of [Gizmobots](https://gizmobots.co.uk), will lead everyone through the process of designing the sculpture, taking apart old electrical items such as hoovers, selecting and assembling parts, and building and embellishing the final piece. Everyone is welcome to bring a bit of their own waste electrical and electronic equipment as well, just make sure it is mainly made of plastic please! We would also recommend coming for the full session, if possible, so you can enjoy the whole creative process! Please be aware, that space is limited - No need to book in advance.

You can take a look at all the activities that will be on offer over the holidays by visiting our website's 'whats on' pages: [Tameside - What's On \(intameside.co.uk\)](https://intameside.co.uk)

Trans Pennine Trail – Easter Activity Pack

The activity pack can be used 'on the go' by downloading it to a mobile or can be printed at home. We're also happy to send out printed copies to people who don't have a printer or are unable to access the PDF if they send us their address details.

Download it from our Children's page at: <https://www.transpenninetrail.org.uk/welcome-to-our-childrens-page/> or by clicking the image below:
